Frequently Asked Questions

Q. What products are accepted?

A. All Chromebook, laptops, desktops, smartphones, tablets, printers, monitors, and more are accepted for trade in but we cannot guarantee that all models will yield value based on age and condition.

Q. Do you guarantee the highest buyback value?

A. Yes. We will price match any of our competitors' buyback prices.

Q. Can I trade in my units that don't work?

A. We will accept non-functioning units for recycling at a fixed rate.

Q. How long is the quote valid?

A. The quote provided by PlanITROI is valid for up to 60 months. The pricing is subject to change every 60 days.

Q. How will the payment be distributed?

A. Payment can be distributed as either a check or as credit to your reseller dependent on the payment option provided. The choices for payment are below:

1. Engage in a Revenue Share Model where you get paid as the assets are sold in the secondary markets.
2. Standard Buyback Price. Full buyout will be provided once the assets are received and audited.
3. Upfront Payment: Payment will be provided upfront before assets are received.
